**COMMENT ON THE STATEMENT OF  
REASONS FOR ALLOWANCE**

Sir:

During the prosecution of this application, Applicants elected Tempol as a species for further prosecution. It was stated in the Remarks section that Tempol is a species of formula I. A further review indicates that formula I does not cover Tempol. However, as the allowed claims are directed to the use of Tempol only and not any compounds of formula I, the inadvertent remark relating to formula I does not affect the scope or enforceability of the allowed claims.

Respectfully submitted,

---
